WE WILL ELECT
NEW MEMBERS OF
THE BOARD OF TRUSTEES.

THE CANDIDATES ARE:

PETER BOWLING

Peter has been a member of Unity of Birmingham for 16 years. He is a graduate of the University of Montevallo and is a therapist and counselor, working with adolescents as well as underserved adult communities.

Peter is a proponent of affirmative prayer and a firm believer in the Law of Mind/Action. He believes “everything that shows up before me is literally meant to Be-For-Me and my highest good.”

Peter has a deep love and immense gratitude for Unity of Birmingham and how it changed his life the day he walked through the door. He has a strong desire and commitment to seeing this “wonder-full” place thrive.

LYNNETTE FELLS

Lynnette has been a member of Unity of Birmingham for more than a year. She is the mother of a wonderful 13-year-old and has worked as a leader at Regions Bank for 25 years.

Lynnette is friendly, fun-loving, and loves helping others, especially as a volunteer here at Unity. She does her best to remember everyone's name and something specific about them. Her sincere care for people always makes others feel welcomed.

Lynnette would love to see Unity grow and have more people join to use their gifts and talents for our community. She lives by the motto taught to her by her mother: "Treat people how you want to be treated."

BRUCE GLENN

Bruce has been a member of Unity of Birmingham for more than 25 years. He raised four children, each spending much of their youth deeply involved in various Unity activities.

Bruce works as a real estate appraiser and investor; managing people, budgets, and timelines; and has also been a past member of the Unity of Birmingham Board of Trustees.

Meditation and positive-thinking is a daily practice for Bruce, knowing his thoughts can and will attract experiences. He would love to see the church grow, to become more involved in the community, and expose more people to the Unity teachings and principles.
